

The Foundation, at a

Day after day, the activities and initiatives of the Foundation are becoming more numerous and visible. Here are the Foundation's main lines of work. These programs testify the will of FC Barcelona to be "more than a club in the World".

OWN PROGRAMS

The Foundation uses sport as an educative and social integrative tool to establish its programs in Catalonia and foreign countries. These programs promote civic values and access to the children's fundamental rights and state of well-being.

Solidarity and Cooperation

This category contains the projects which's solidarity and social dimension remind us of the global commitment of FC Barcelona and its willingness to reach out and help the most vulnerable people.

PROGRAMS IN COLLABORATION WITH THE UNITED NATIONS

The Foundation has endowed itself with road companions in its trip in favour of childhood. Three agencies of the United Nations have united their efforts along with those of the Foundation, because as our anthem says "all united, we are stronger".

Sport and citizenship

EIC

Sport and citizenship

The Foundation has committed to contribute to the development of a civic and responsible society, thanks to sport. In this category exist different programs and initiatives: educative, cultural, scientific and social.

UNICEF

The alliance with UNICEF –beyond the agency's logo on the Club's jersey– entails an annual donation of 1.5 million Euros dedicated to the projects in favour of the struggle against AIDS. The programs cover the prevention of mother-to-child transmission, the pediatric treatment, the prevention of the transmission of HIV/AIDS thanks to sensitization campaigns and protection of orphaned kids because of the disease, most of them in Sub-Saharan Africa.

UNESCO

United Nations
Educational, Scientific and
Cultural Organization

This agreement with the United Nation's Agency in favour of Education, Science and Culture foresees that both entities unite their efforts in the fight against racism, the sensitization against doping and the promotion of education and alphabetization. "Youth Voices Against Racism" is the first program that has emerged from this partnership, and it has allowed teenagers throughout Europe to present – after many months of debate- ten recommendations to the European Parliament in order to fight against racism and violence.

UNHCR/ACNUR

**UNHCR
ACNUR**

The objective of the agreement with the United Nations High Commissioner for Refugees is to establish educative and sports programs in favor of the refugee and displaced people. The 3 beneficiary countries are Ecuador, Nepal and Rwanda.

The "MÉS" project has gathered the efforts of the FCB Foundation, the UNHCR and NIKE in order to raise funds for this cause, thanks to an exclusive line of product. The money raised is then redistributed to programs directed to refugees and children who live in situations of extreme poverty.
